We welcome comments and feedback from these power points to

utahkrishnas@gmail.com.

If you would like take our membership class with power point,
please visit our website at [**www.utahkrishnas.org**](http://www.utahkrishnas.org)

Based on the divine teachings of

A.C. Bhaktivedanta Swami Prabhupada

International Society of Krishna Consciousness

Keeping the Proper Perspective

Sri Sri Radha
Krishna Temple

All Have Problems...

- ◆ **Do we magnify them?**
- ◆ **Prabhupada advised against going to USA**
- ◆ **Meat eaters, Low Born, Western Side**
- ◆ **Srimati Morarji**
- ◆ **Focused not on the disqualifications of the Americans, but focused on the qualifications of his God**

What we focus on...

- ◆ We magnify.
- ◆ When we magnify, don't change the object, but change our perception of it...

Do not be intimidated by your enemies

Sickness, debt, legal, relational, vocational.

Keep perspective.

Looks so big, could easily be overwhelmed, think, "I don't have a chance."

Maya would not be
fighting so hard...

If there were not a great future.

*Size of the challenge indication
of the size of your destiny.*

Ellis Island Dorms

*Not a Permanent Destination,
only a Processing Center*

Could it be...

- ◆ You've already talked yourself out of dreams..
- ◆ Opposition too big, not right connections, health not up to it, don't have what it takes, never be at that level.
- ◆ No have a new perspective, take the limits off Krishna

In that position of self-realization, one sees everything in the right perspective; he becomes indifferent to material existence, and the material influence acts less powerfully upon him. SB 3/25/18

Purport:

As the contamination of the germs of a particular disease can influence a weaker person, similarly the influence of material nature, or illusory energy, can act on the weaker, or conditioned, soul but not on the liberated soul.

You were not created...

Looking at Bully

- ◆ To be average, have a “barely get by” mentality, go around being intimidated,
- ◆ No, have seeds of greatness inside.

When you talk about God.

- ...your problems get smaller & smaller. Bigger the God, smaller the problems.
- Remember “Vishnu smaranam” all the times Lord saved His devotees.
- Spinning on a Montana freeway with 4 llamas

Speak Confidence into you...
