Based on the divine teachings of

A.C. Bhaktivedanta Swami Prabhupada

International Society of Krishna Consciousness

Releasing the Past

Sri.Sri.Radha
Kṛṣṇa Temple

Don't dwell on it.

Why...

Loved one didn't get healed

Didn't get that promotion

Relationship didn't work out

Releasing is Trusting

“Krishna, even though it didn’t work out my way, all things work for my good.”

KARNA

So often we'll trust Krishna, as long as he does it our way.

Mountain Climber

Maybe..

Krishna closed the door because you are believing too small

Maybe didn't work out because what you are praying for would be second best, & Krishna loves you too much to do it your way.

Good..

to have dreams, to have goals, to stand in faith, to be determined.

But have to be mature enough to put them on the altar.

Krishna this is what I want, I'm hoping & praying for, BUT You know what's best for me.

Don't get so consumed

by a dream that if it doesn't happen our way, going to get all bent out of shape. Pandavas went into forest for 12 years. Got kingdom with no thorns.

Not ordinary like you planned..

but extraordinary like Krishna has planned.

We all wanted Prabhupada to stay. It was our greatest disappointment he left. Cannot prevent birds of lamentation from flying overhead..

There were 108 temples, now 500.

Prabhupada had 5,000 disciples, Radhanath & Jayapataka have 15,000.

Krishna's ways..

are not our ways.

Not ABCD,

*Sometimes A,B, P, back to C,
up to F, back to D, and then to
Z*

Quit trying to figure out why something bad has happened to you.

Why did I have a miscarriage?

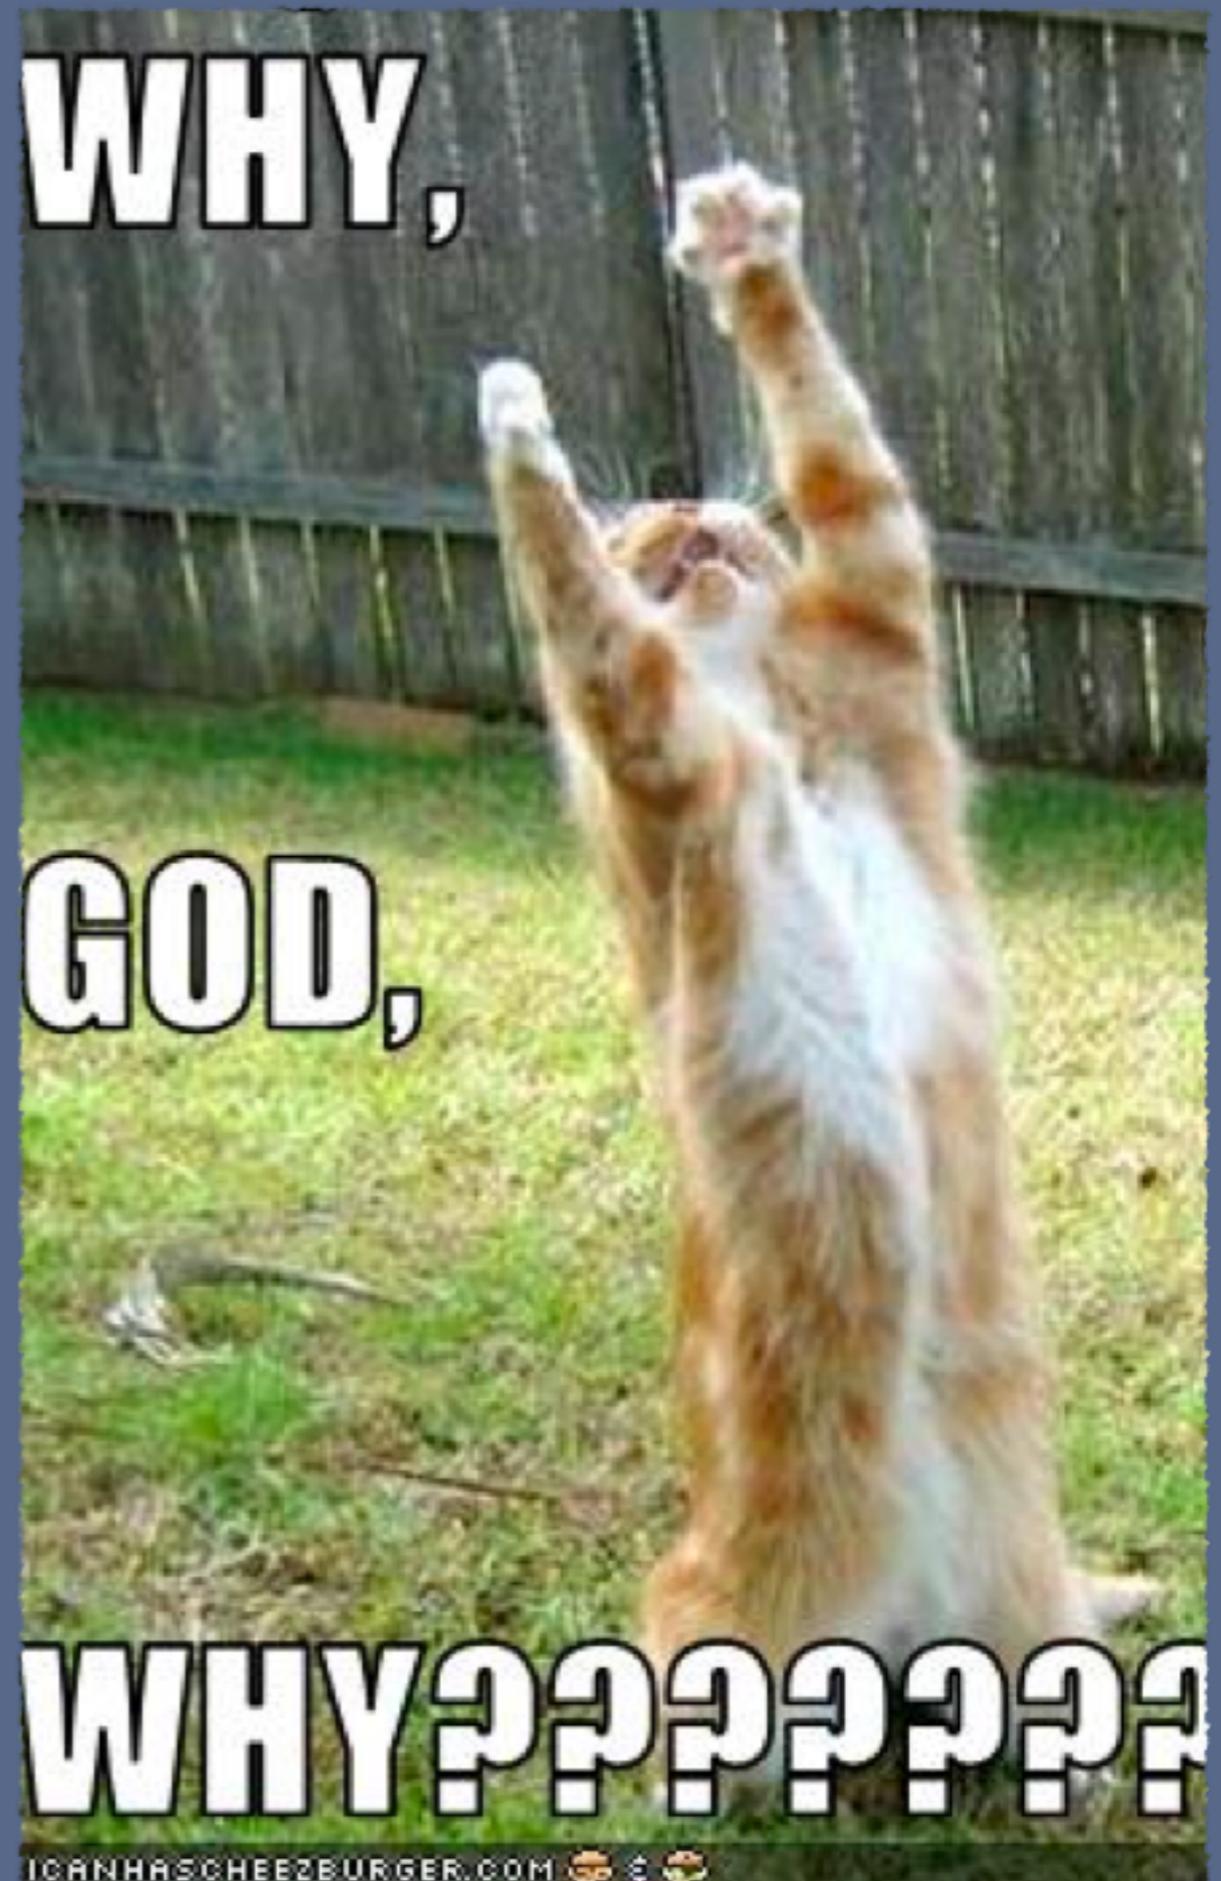

Why was I born into this family?

Why did this person leave me?

WHY,

GOD,

WHY??????????

That makes Sense

“Running with the wrong crowd, got into trouble.”

That makes sense

“She wasn’t raised in a good environment, & she got off course.”

That makes sense

Most of the time, we can deal with a situation if we can find a file to put it in.

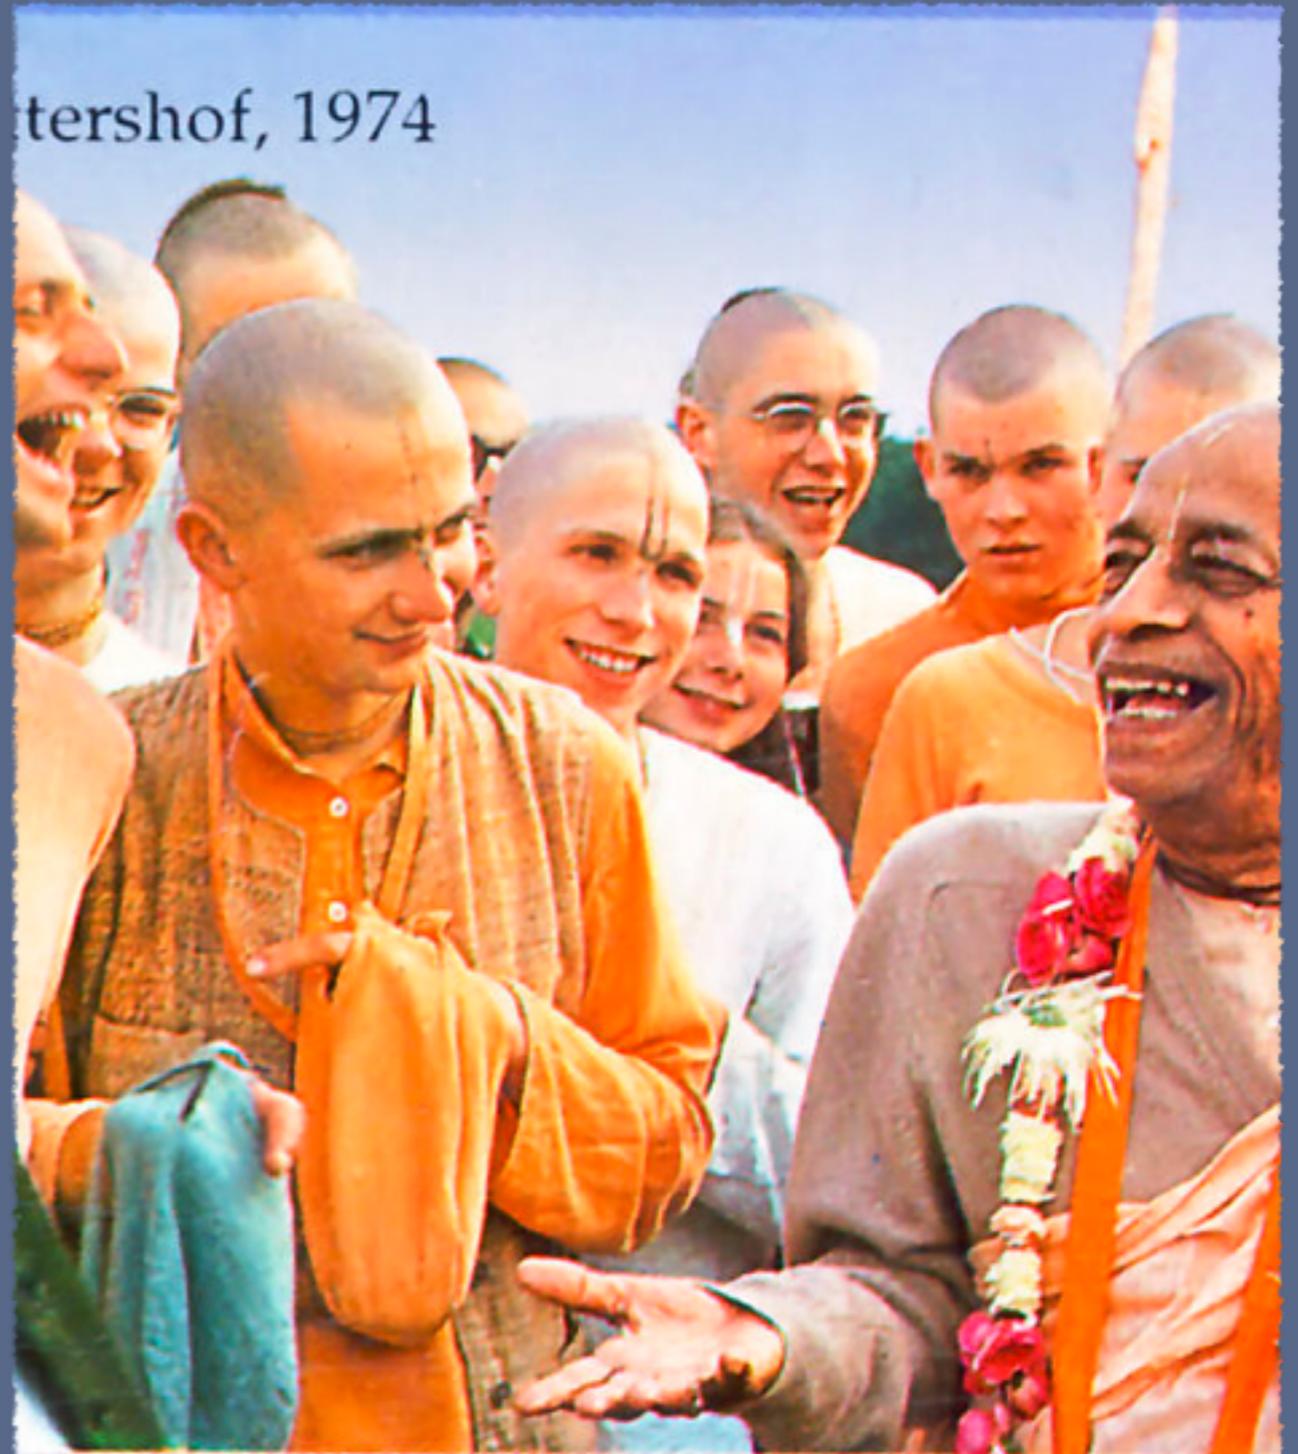

Don't put a Question mark..

where Krishna has put a period.

If you prayed, you believed, it didn't work out, Krishna put a period. Leave it alone and move forward.

New day

We celebrated what Krishna had done through Prabhupada, & we stepped into a “new beginning” Krishna had in store for us.

Prabhupada did more than his guru, than Sri Chaitanya Mahaprabhu

- Good news is if you are not victorious right now, keep moving forward, it's not the end.
- Yatra yogesvara Krishna....
- Chitraketu holding on.

Another Seed

- Even when you prayed, paid hospital bills, fasted, stayed up all night, & still lost that child, Krishna is going to appoint another seed. He's got a new beginning for you, another chapter.
- Ramesh & Kirti Rathi came for raw milk years ago. Nityam & Naveen.
- If you'll let go of the hurts & pains, & don't get stuck in mourning, then for everything you've lost, Krishna will appoint another seed.

Way over my Head

- Elephant on a saucer, not going to trouble myself over things I cannot understand.
- “Now we know in part, but one day we will know in full.”
