Good to Celebrate Others

You are also
someone to be
Celebrated

**Something great
about you. You are
talented, smart,
attractive.**

You're good at something others are not

Others may have more natural talents, but they have faults & weaknesses just like we all do

“This next song’s about our desperate struggle to please and chronic craving for approval. I really, really hope you like it.”

Mayor & wife story

Royal Blood

Krishna crowned you
with His honor & favor

“Less than” Mentality

People going to treat you the way you present yourself. Intimidated, don't look people in the eye, barely speak up when you talk, you are communicating “I am not important.”

“DON'T BE INTIMIDATED BY HIS FIFTY MILLION DOLLAR SALARY... JUST THINK OF HIM AS A GUY WITH A TAX PROBLEM.”

*However talented,
successful, beautiful
they are...you speak
clearly, strongly,
don't mumble,
speak with
confidence, they no
more a child of God
than you are.*

*I'm determined,
confident, secure,
proud of who I am*

*Much of low self
esteem is cause we
don't know who we
really are.*

It was a confidence not in himself but in Krishna, and that was effective. He wouldn't have been so effective, I think, if he had said, "You've got to have confidence in yourself," "Have confidence in me," which, although better, you don't quite know how that works. But, on the other hand, "Have confidence in the Lord of the Universe"—well, that's a different matter. BTG An Indian Saint in America

you're wearing an

*You & I represent
the kingdom of God.
Ambassadors of the
Spiritual World.*

Ultimate Family

Doesn't matter what family others come from, what important people they know. Krishna is the creator of millions of universes. Universe.

Felt strength, power, head held high, pleasant smile, waved at all like they were best friends. Many important people in the room, more wealthy, beautiful, smarter, fitter, powerful people were there.

Sense of self not based on what she has or does, based solely on WHO she is.

Who you are

- Don't have to be the most talented, successful, beautiful
- When you know who you are, you can walk into any room, smile, wave as if everybody is your best friend, **not crowned by people but by Almighty God.**
- What would we think if the President walked into an important meeting.

Krishna's Pep Talk

**Looked down,
mumbled,
failed to look
world leaders
in the eye. Be
tall, proud, of
who you are &
represent your
country well.**

**"Wherever there is Krishna, the master of all mystics, and wherever there is Arjuna, the supreme archer, there will also certainly be opulence, victory, extraordinary power, and morality. That is my opinion."
[Bhagavad-gita 18.78]**

Pandavas

The hearts of the sons of Dhrtarastra were shattered by the sounds vibrated by the Pandavas' party. This is due to the Pandavas and their **CONFIDENCE** in Lord Krishna.

One who takes shelter of the Supreme Lord has nothing to fear, even in the midst of the greatest calamity.

Gita 1/19

"Yea, though I walk through the valley of the shadow of death, I will fear no evil" Psalm 23

Krishna will protect us and maintain us. Actually, He is already giving protection and maintenance to everyone. That is a fact. But in m \ddot{a} y \ddot{a} (illusion) we think that we are protecting ourselves.

Fake it til you make it

Cannot wait for the feelings to come, create the feelings by acting the way you want to be. Potential in you not yet released. Greatest power in the universe is within you.

Carry What They Lack

When you are weak, He is strong. When you don't see a way, Krishna will make a way. When enemies come against you, Krishna will fight your battles for you.

Impossible dreams

Lord opens doors no man can shut. Accomplish dreams you never thought possible. When those opportunities come, don't you dare shrink back.

Confidence = Fuel

Sell Yourself better

**Some of you are too timid,
downplaying your abilities,
discounting what you can
do.**

Be your own resume.

**When others see you
believe in your self, they'll
more likely open the doors
to opportunities.**

Child of God

Place Kicker

My Time

New day, power of most high is in me. When you rise up with confidence like that, putting fuel in your jet. Never know where it's going to take you.

Faith

Not acting on what we feel, but on what we know. God would have not given you the opportunity if He had not already equipped you.

Overmatched

Impossible Situations

**Medical report, job challenge,
legal battle**

**May feel fear, but not going to
show fear, knowing creator of the
universe is in complete control of
my life. If God be for me, who dare
be against me?**
