# Life is full of things to push us down

*Disappointments, set backs, bad news from doctor, relationship didn't work out,*

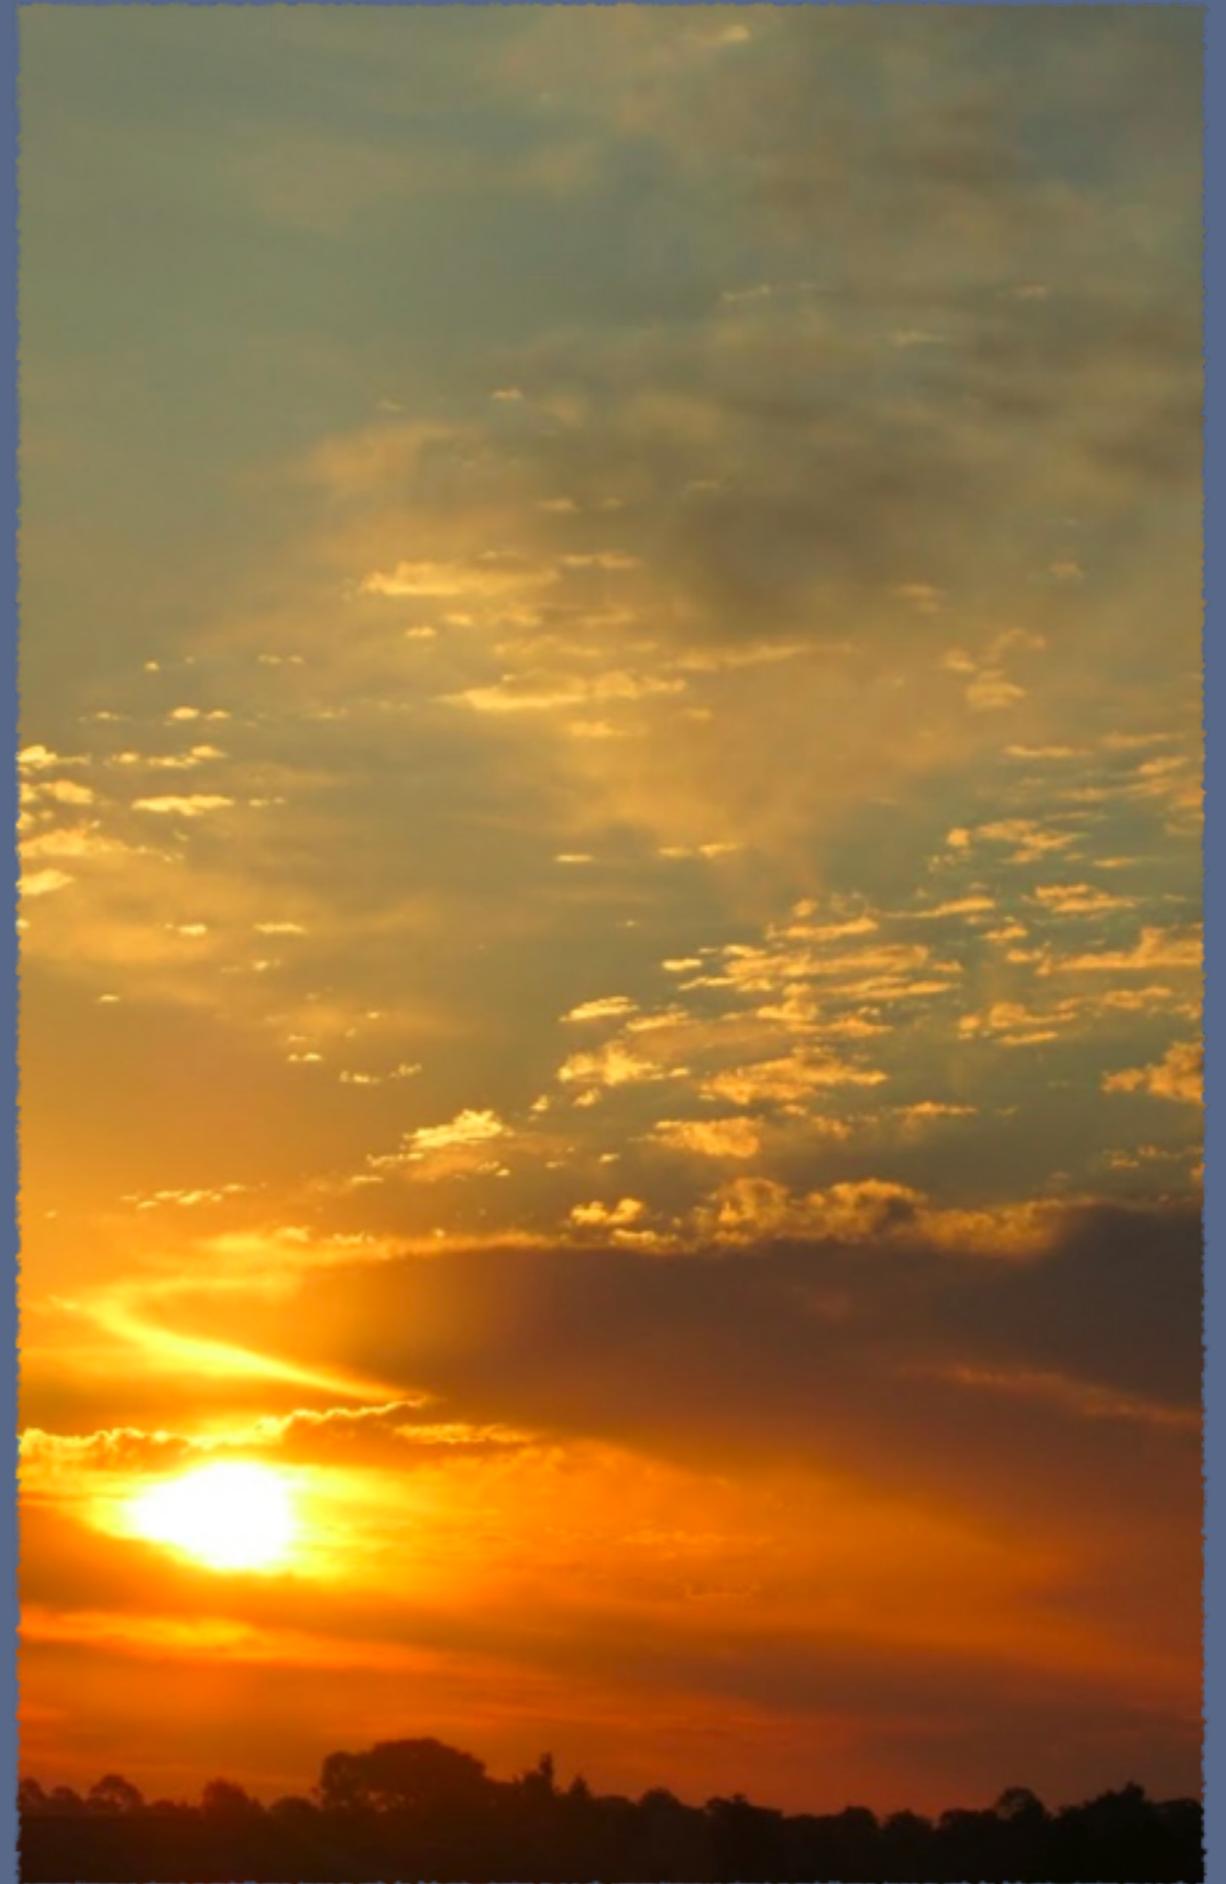

*Narottamas says, "Built a house, and it burned down."*

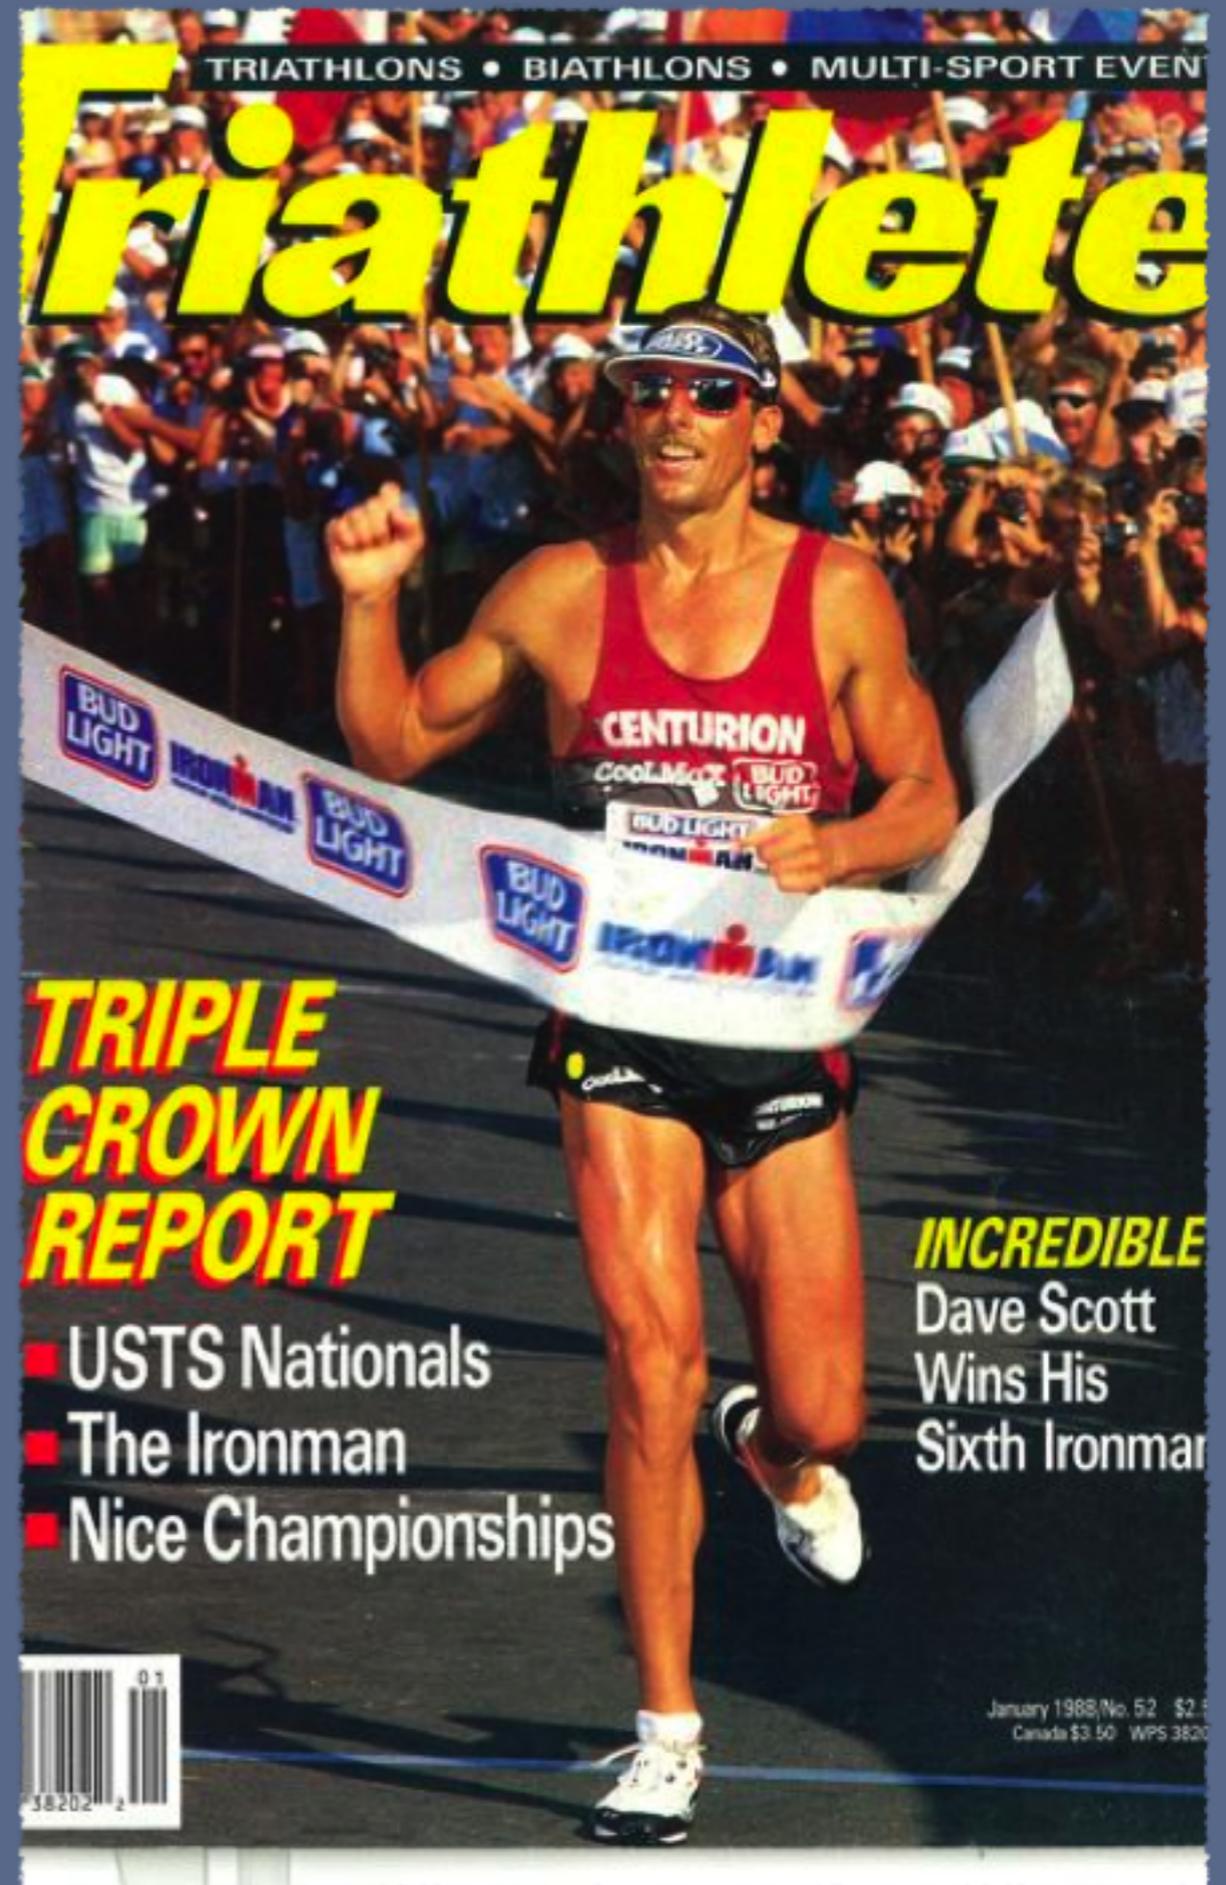

Means don't have a  
pity party when  
things don't go your  
way

*Don't think "Life's Not Fair."*

*Shake it off,  
Krishna will use harm for Good*

# Stumbling Block a Stepping Stone

- May have had some Bad Breaks
- Krishna put a **bounce back** in your Spirit
- When you are tempted to give up, something instead says, “No way. This is not who I am.”

# Set Back a Set Up for a greater Comeback

*Just a matter of time before I  
come back, stronger, better,  
healthier than I was before.*

# Beyond Duality

**One who serves the Lord with his full energy is free of material bondage, even while still living in the material body. In other words, at every moment he understands himself to be transcendental to the pleasures and pains, the ups and downs, of material existence. Even in the greatest difficulty he remains undisturbed, serene in his transcendental loving relationship with Krishna.**

# 4 Symbols of Vishnu

**1. REFUSE TO BE  
DISCOURAGED**

**2. REMEMBER  
THAT KRISHNA IS  
WITH ME**

**3. RELY ON  
KRISHNA'S  
PROTECTION AND  
GUIDANCE**

# Power & Presence

**When you walk through the fires of oppression, you will not be burned up -- the flames will not consume you." You're not going to drown, burn up, die -- Krishna says I am with you."**

# Difference between devotees & Nondevotees

**Krishna's people have financial problems. Devotees have family problems. They go through difficulties just like everybody does. But there is a big difference.**

**The difference is not the absence of the problem but the presence of the Guide and Protector.**
