Hearing the Beginning of Understanding

Elephant has big ears

For inside information, have to have ears tuned to right frequency

Don't go your whole life with all this inside information, but without tapping into it cause you're on the wrong frequency

Ravana

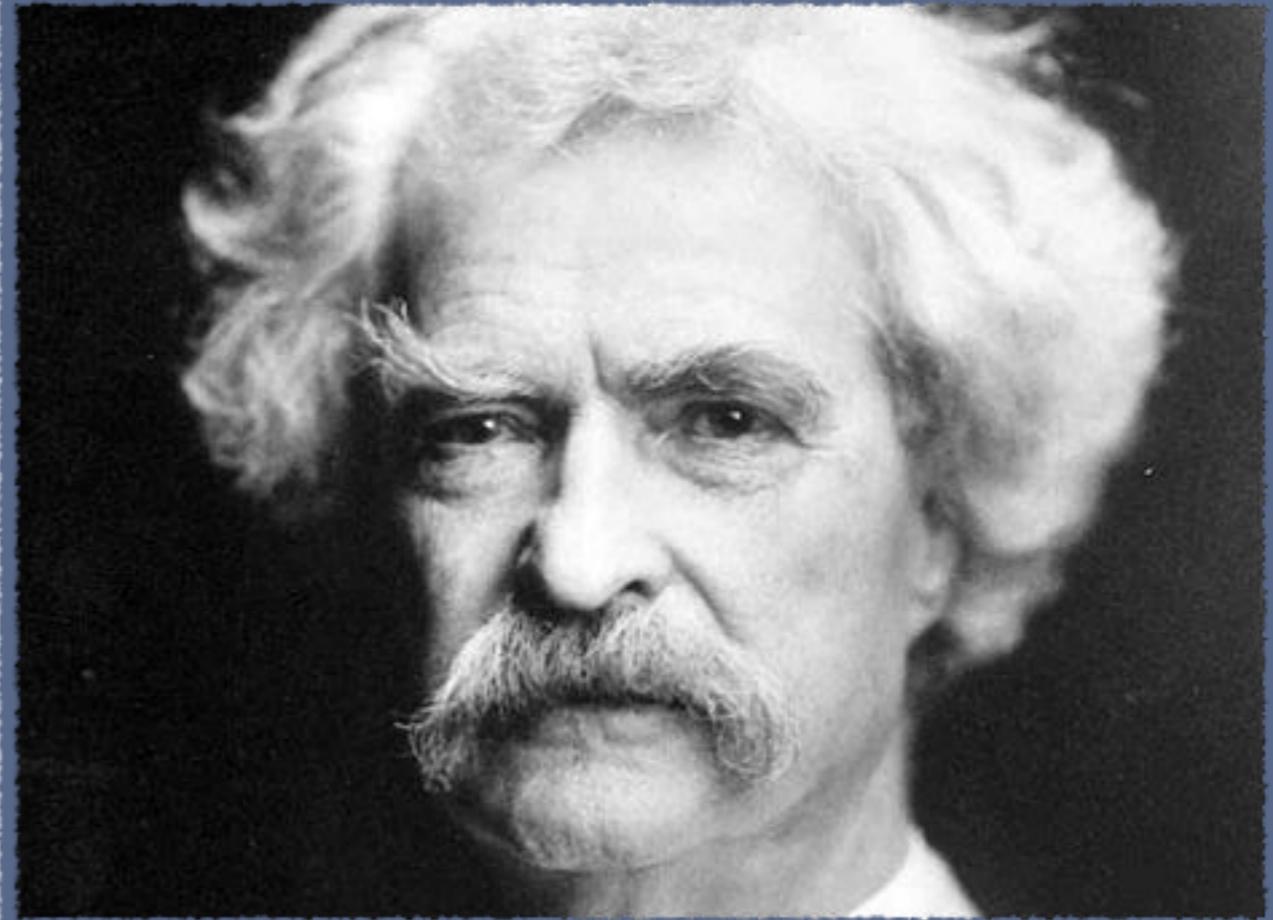

- ❖ Warned but didn't listen
- ❖ Auspicious do immediately, inauspicious put it off.
- ❖ Salt Water & Stealing Sita

Heart Desparately Wicked

- ◆ Is it for Krishna or for myself. Is it a matter of finding reasons to eat that dessert I shouldn't have. Is it rationalizing a lapse of ethics to pass that test or bring that client on board? Does it have to do with buying that car I cannot afford because of the sizzle factor? Is it a get rich quick scheme because I'm too lazy to earn an honest living by honest work?
- ◆ Or is it because I want to put God first place in my life and make a positive difference for other people?

Witty Inventions

Wealthy business man, known as ruthless & unethical, told Mark Twain before he died, wanted to go to Mt. Sinai & read the 10 commandments.

Cause of all Causes

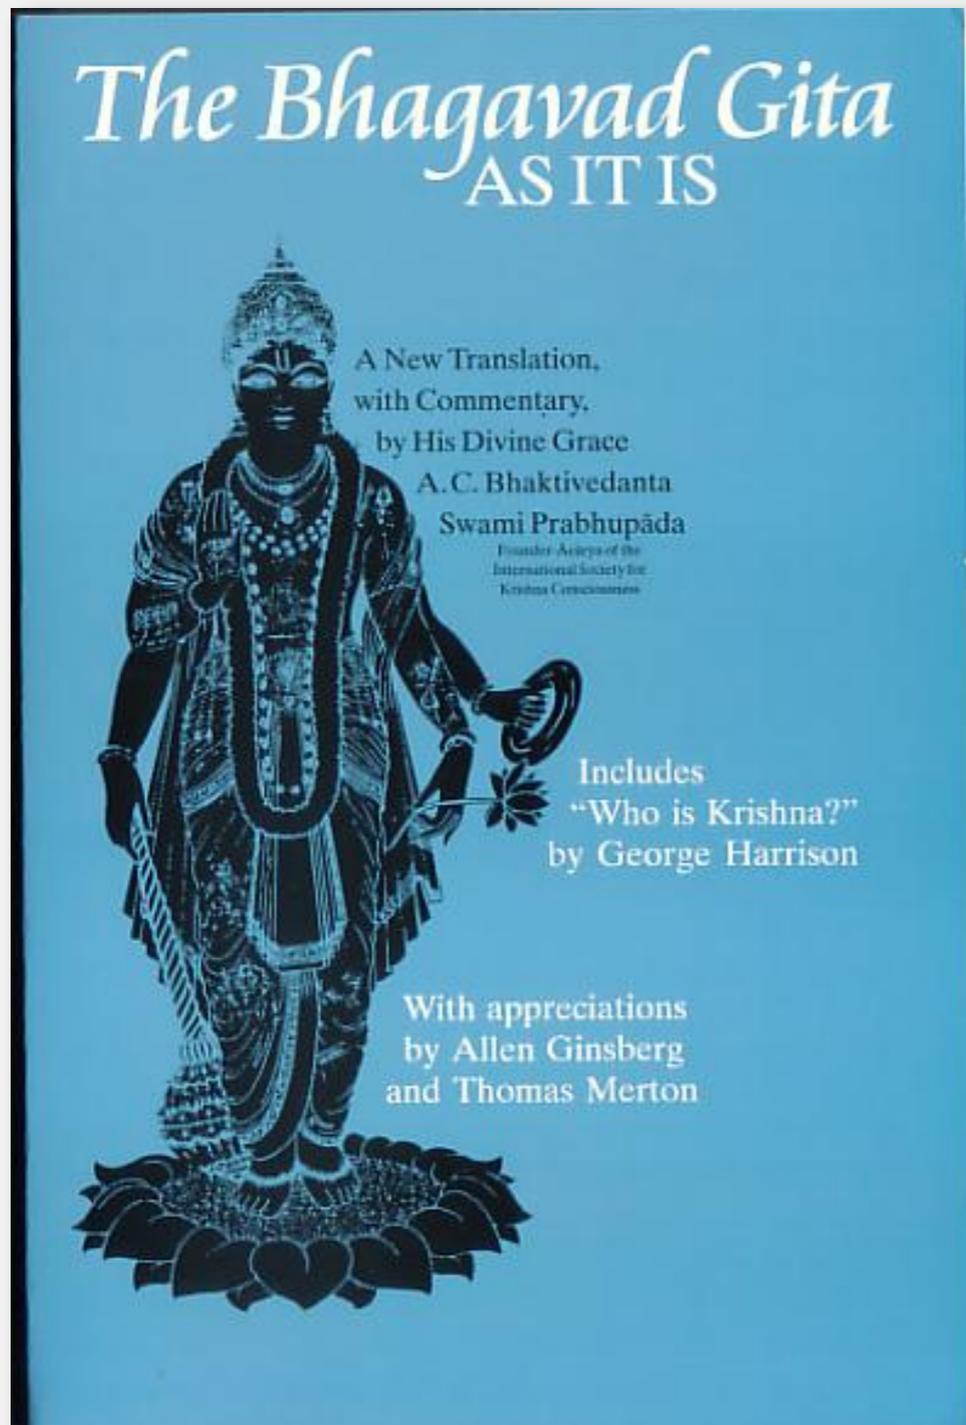

- ◆ When known everything is known, & nothing is unknown
- ◆ G.O.P.A.L. Is that all right?

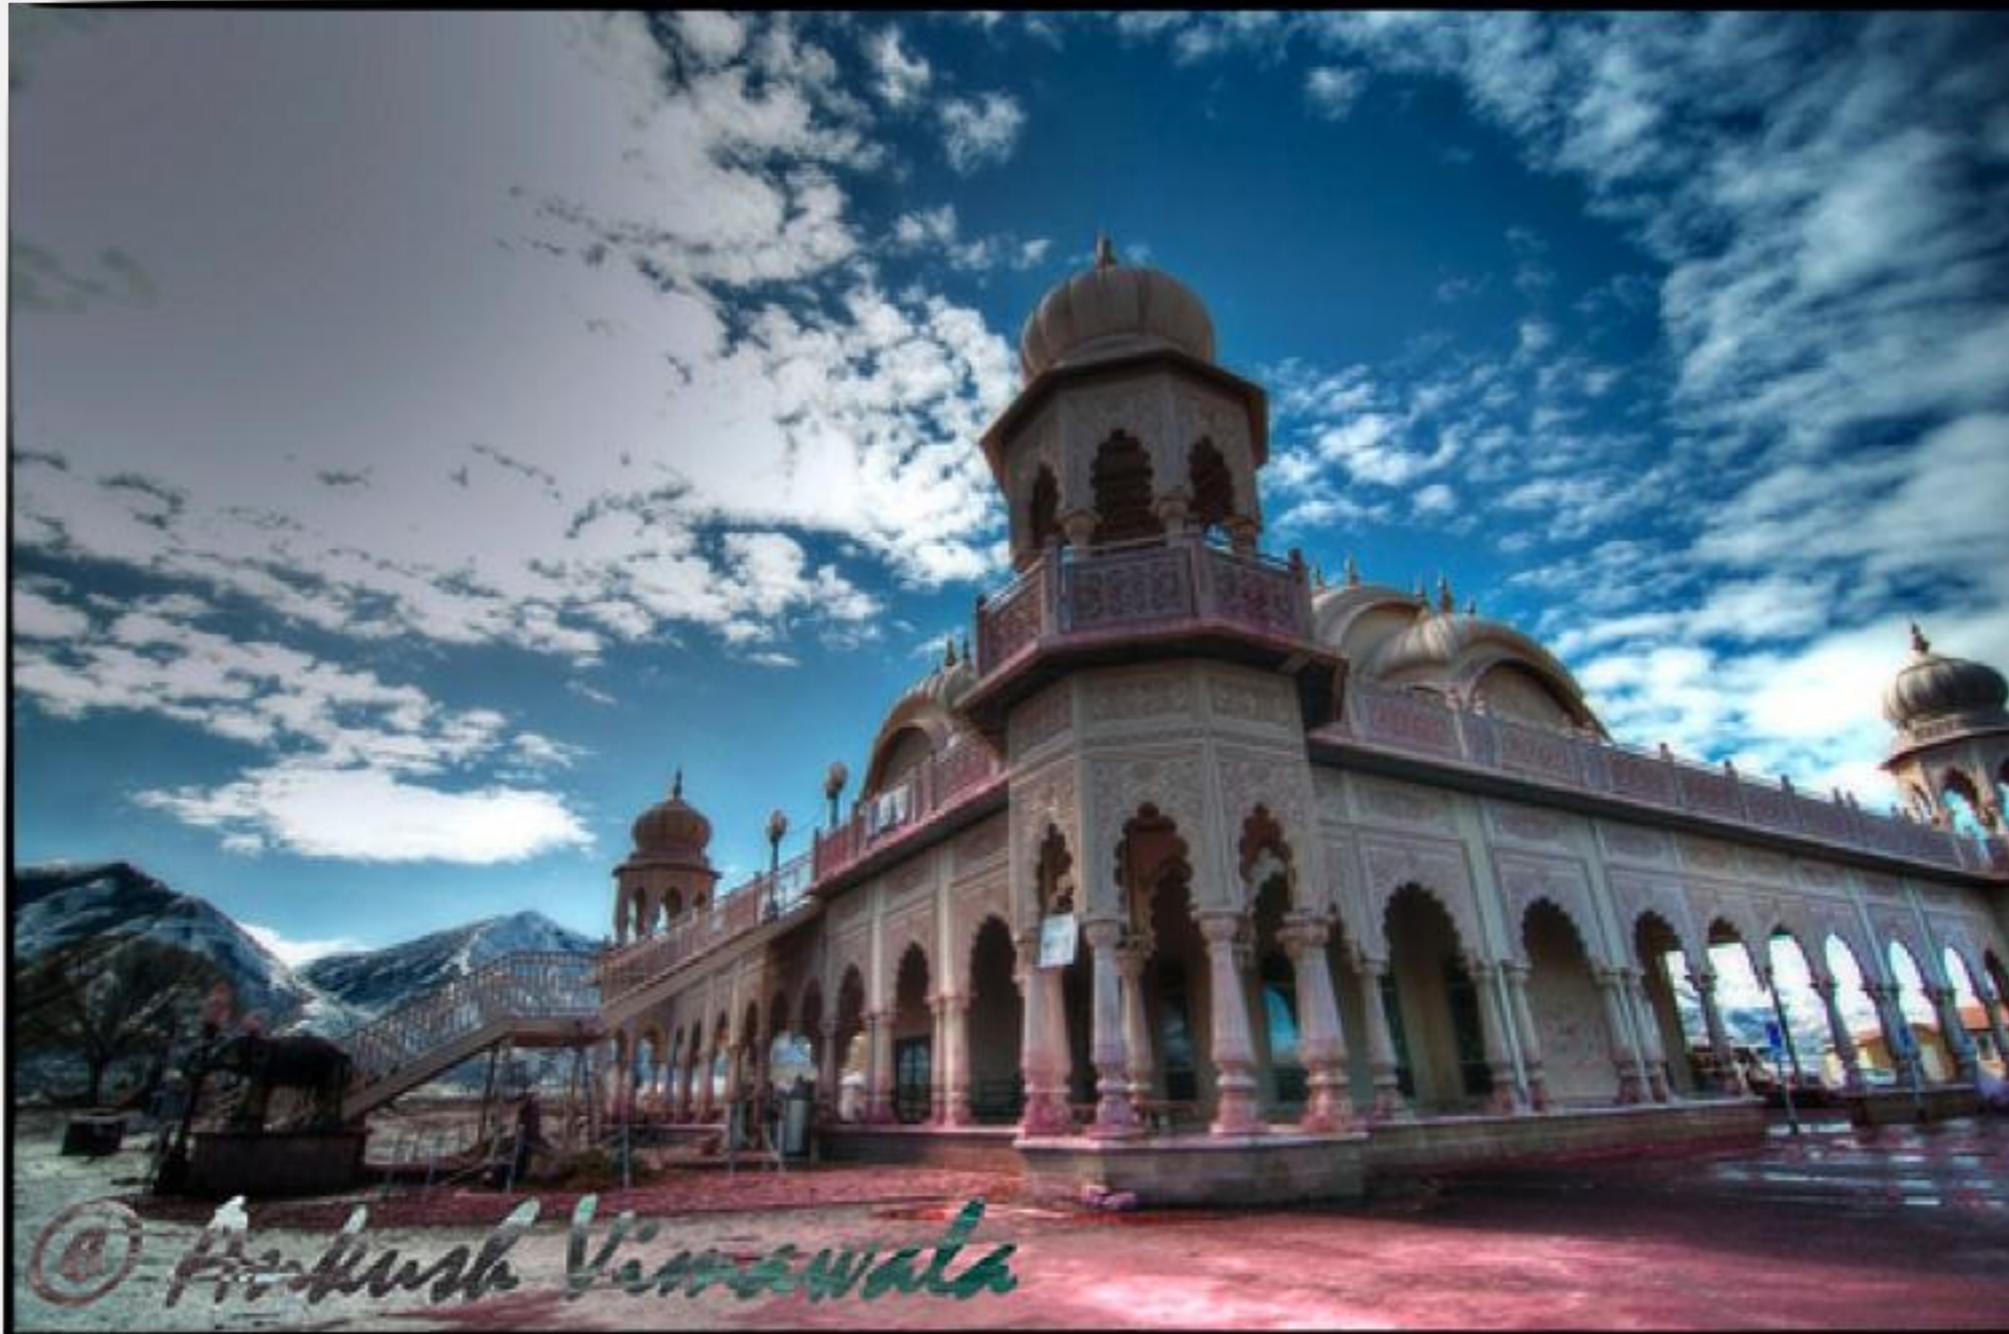

Karna Looked for Arjuna

If you will stay tuned..

- ...to the right frequency, you'll have insight to know things you would not know in the natural.
- Collier Macmillan
- He knows everything about everything.

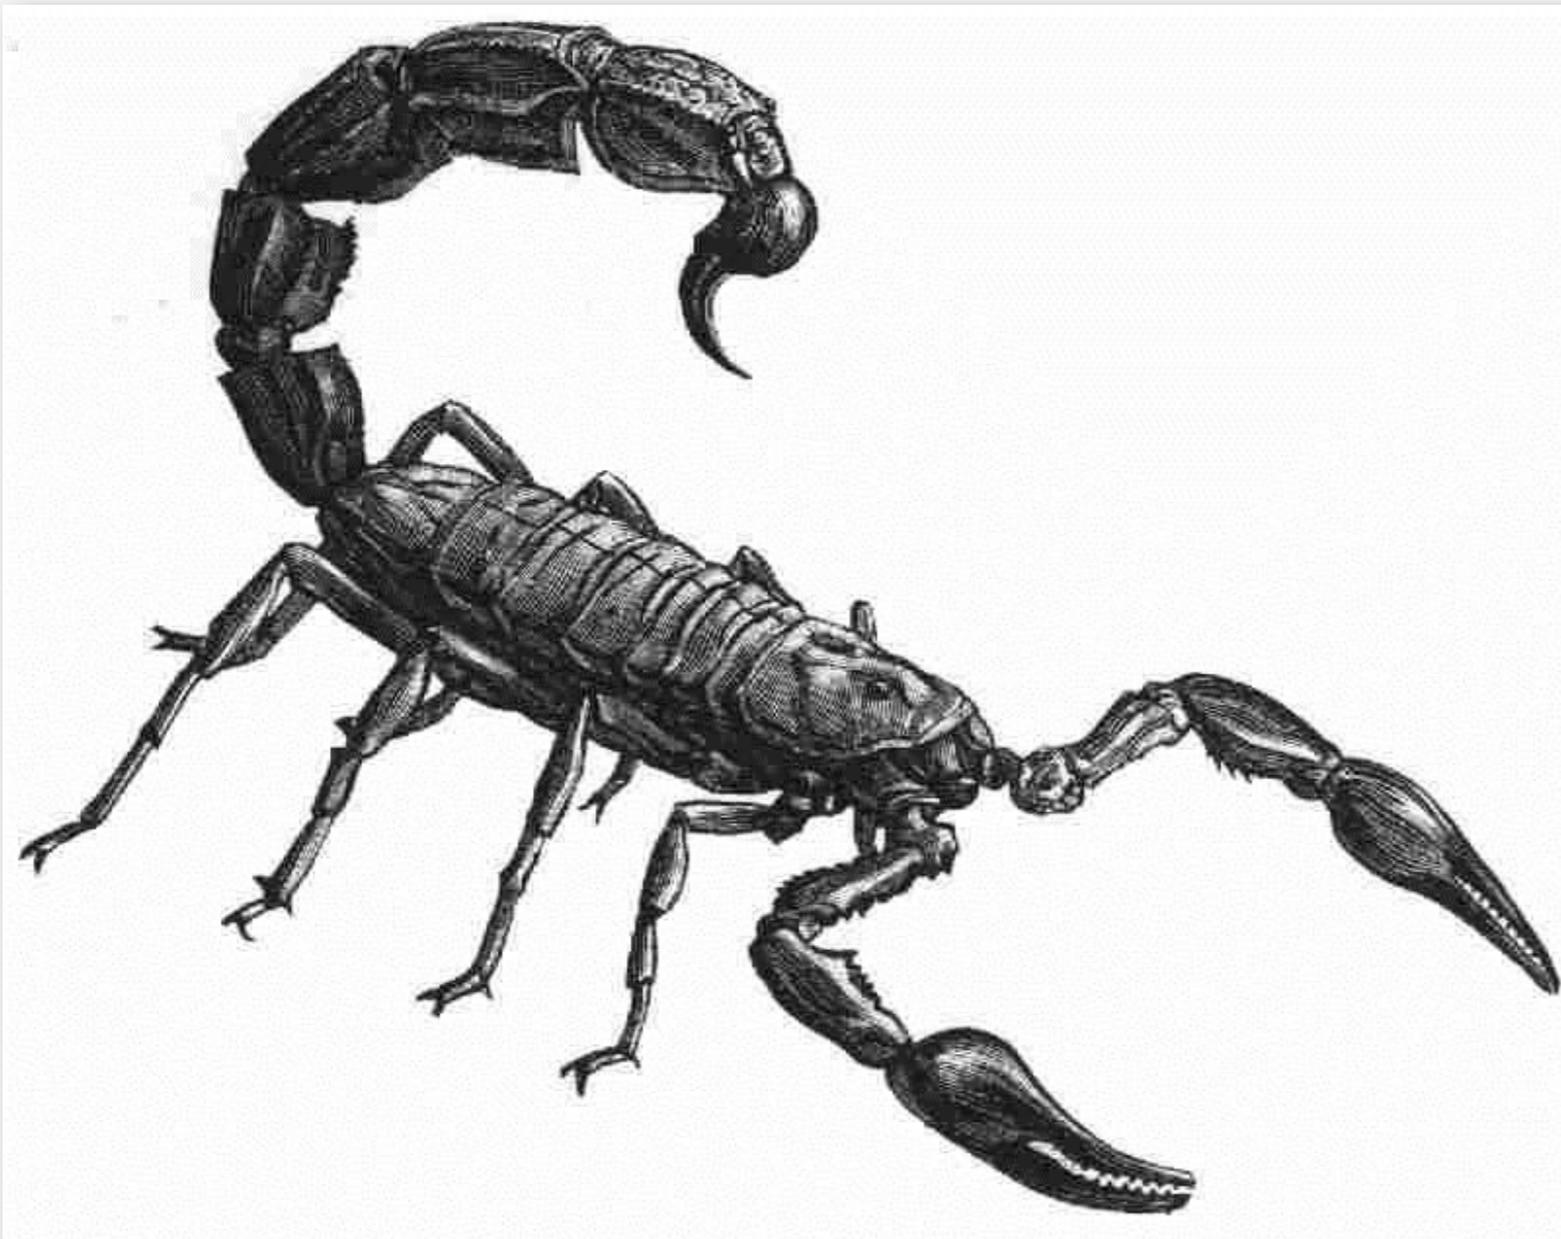

Research Point of View

- Spanish Fork last place to plant a new temple.

Discernment

- ◆ People are not always what they seem.
- ◆ Suffer in the company of fools. Fall out from their bad decisions.
- ◆ Walk with the wise..

Warn You

- ◆ Some people have ulterior motives, want you to be their friend for what you can do for them. Takers & never givers. Once they use you up, will move on to somebody else.
- ◆ Bernard Madoff, \$ 50 billion, gave to charities, wouldn't take everybody's money, gave a modest %1 per month.

God can see...

- ..the big picture you can't see, the dead end around the corner, the heartache and pain of a course of actions. Always has your best interests at heart.
- That opportunity may look great, but if there is an unrest, means something better coming your way.

Pay Attention to the Tension

Krishna gave discernment but
we got caught up in the
emotion, excitement

Krishna wants to leads us,
but is not going to drag us.

Let peace be the deciding
factor in our decisions.

WAITING

by: John Burroughs (1837-1921)

SERENE, I fold my hands and wait,
Nor care for wind, nor tide, nor sea;
I rave no more 'gainst time or fate,
For, lo! my own shall come to me.

I stay my haste, I make delays,
For what avails this eager pace?
I stand amid the eternal ways,
And what is mine shall know my face.

Asleep, awake, by night or day,
The friends I seek are seeking me;
No wind can drive my bark astray,
Nor change the tide of destiny.

What matter if I stand alone?
I wait with joy the coming years;
My heart shall reap where it hath sown,
And garner up its fruit of tears.

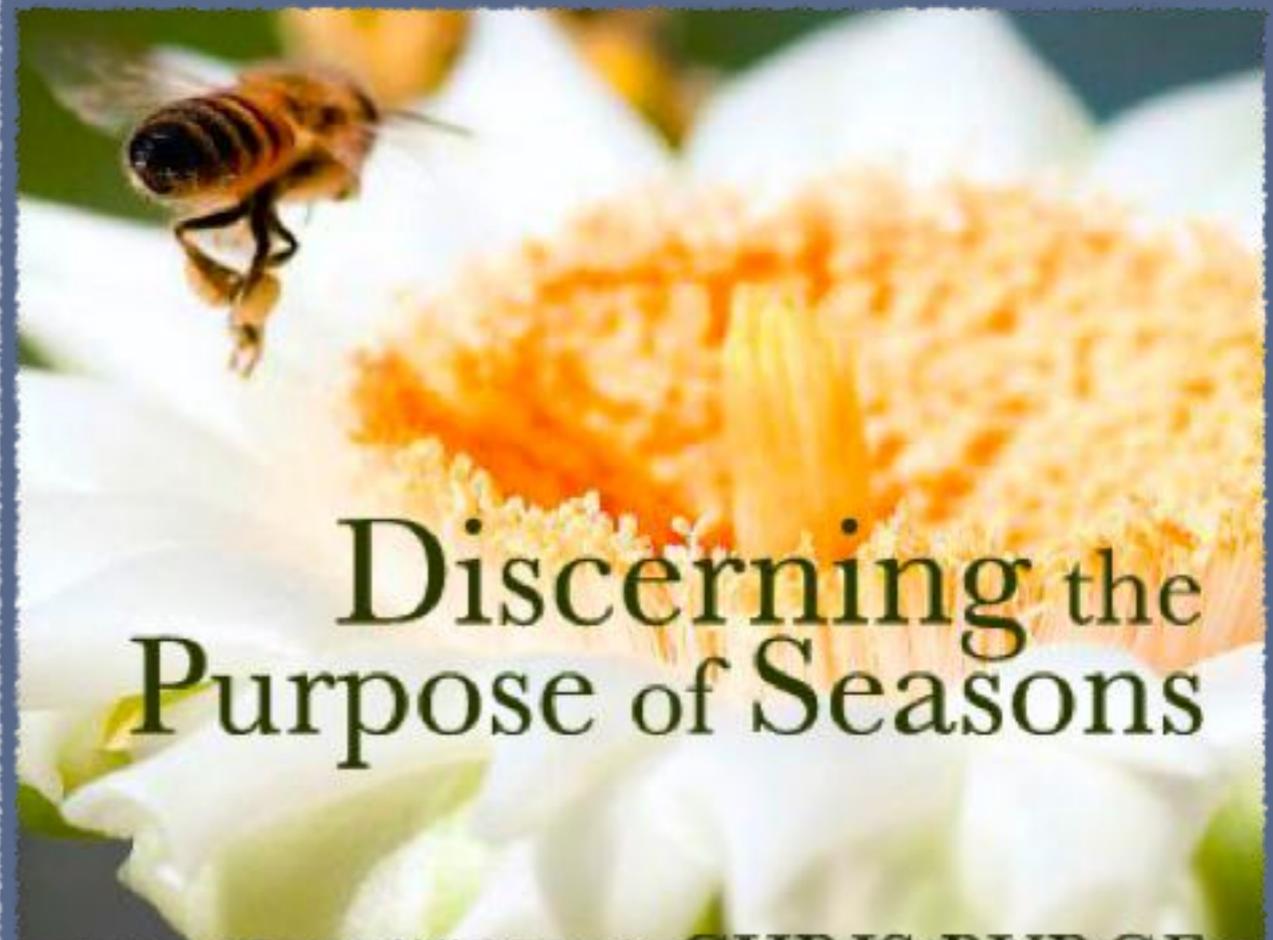

The waters know their own and draw
The brook that springs in yonder height;
So flows the good with equal law
Unto the soul of pure delight.

The stars come nightly to the sky;
The tidal wave unto the sea;
Nor time, nor space, nor deep, nor high,
Can keep my own away from me.

Let God lead you

*Don't try to have it your way,
He'll take you to explosive
blessings.*

*Sometimes pursuing the right
thing, but not the right time*
