# Too many people have lost their enthusiasm

*Once they were excited about  
their dreams, X marriage, X  
future.*

**Age may wrinkle the face,  
but lack of enthusiasm wrinkles the soul**

# Krishna didn't create us

*...to drag thru the day, didn't  
create us in His image, equip  
us with His power, for us to go  
thru motions with no  
enthusiasm.*

are you excited,  
passionate,  
Fully alive or..

*are you stuck in a rut, going  
thru the motions, letting the  
pressures of life weigh you  
down.*

# In the natural..

- May not be anything exciting in yr future. you only see more of the same..
- Got to dig your heels in, say “this is a day the Lord has made. I refuse to drag thru it with no passion.”
- The dawn of a new day is exciting, that I’m alive is a miracle. There are people who love me, and I love them. What could be more exciting!! Krishna got me this far. Wyoming llama near accident.

# Make decision every day.

- Not going to get stuck in a rut, X take this day for granted, X go thru the motions. Going to stay passionate about the life Krishna has given me..
- Truth is: most of life IS routine
- Can't wait for something exciting to happen before you become excited.

# We should live in amazement

*When I see Vaibhavi, Jai  
Krishna, Roshan, Dinesh, & so  
many others, feel delight. Hope  
that Lord will find such delight  
in me.*

*“Great Game” story*

80 year old surgeon invented procedure  
done 10,000 times.

# Waiting for the next big thing...

- to come along. Then we are going to be excited.
- But if you aren't happy where you are, won't get to where you want to be. There are miracles all around us.

The angels keep their ancient places--  
Turn but a stone and start a wing!  
'Tis ye, 'tis your estrangèd faces,  
That miss the many-splendored thing

# Give 100 per cent

- This honors Krishna, & attracts His blessing. That means it will be easier, go better, & you'll accomplish more.
- Make it practical, when you do the dishes, do them with all of your heart, mow the lawn with every step thank for your legs, thank you are strong, thank Him for the sun on your back

*Caru I'd be excited if I had yr  
life, yr temple, yr wife*

*Don't fall into the comparison  
trap. Comparison kills passion.*

*Vacation comparisons, Italy -  
Panguitch. GQ - DQ...husband  
comparison, house, car..*

# If I had..

*her looks, his talent. No Krishna gave you **your looks & a life perfectly matched for you**. Now get excited about your life, not someone else's*

THE ONLY PERSON YOU SHOULD  
TRY TO BE BETTER THAN,  
IS THE PERSON YOU  
WERE YESTERDAY.

Comparison  
is the  
thief  
of  
Joy.

A Long life  
ending with a  
flourish, not a  
fizzle.

*I would not trade this time in my  
life for youth.*

*Lord always has a better future.  
That which is past will not be  
greater than that which is  
ahead.*

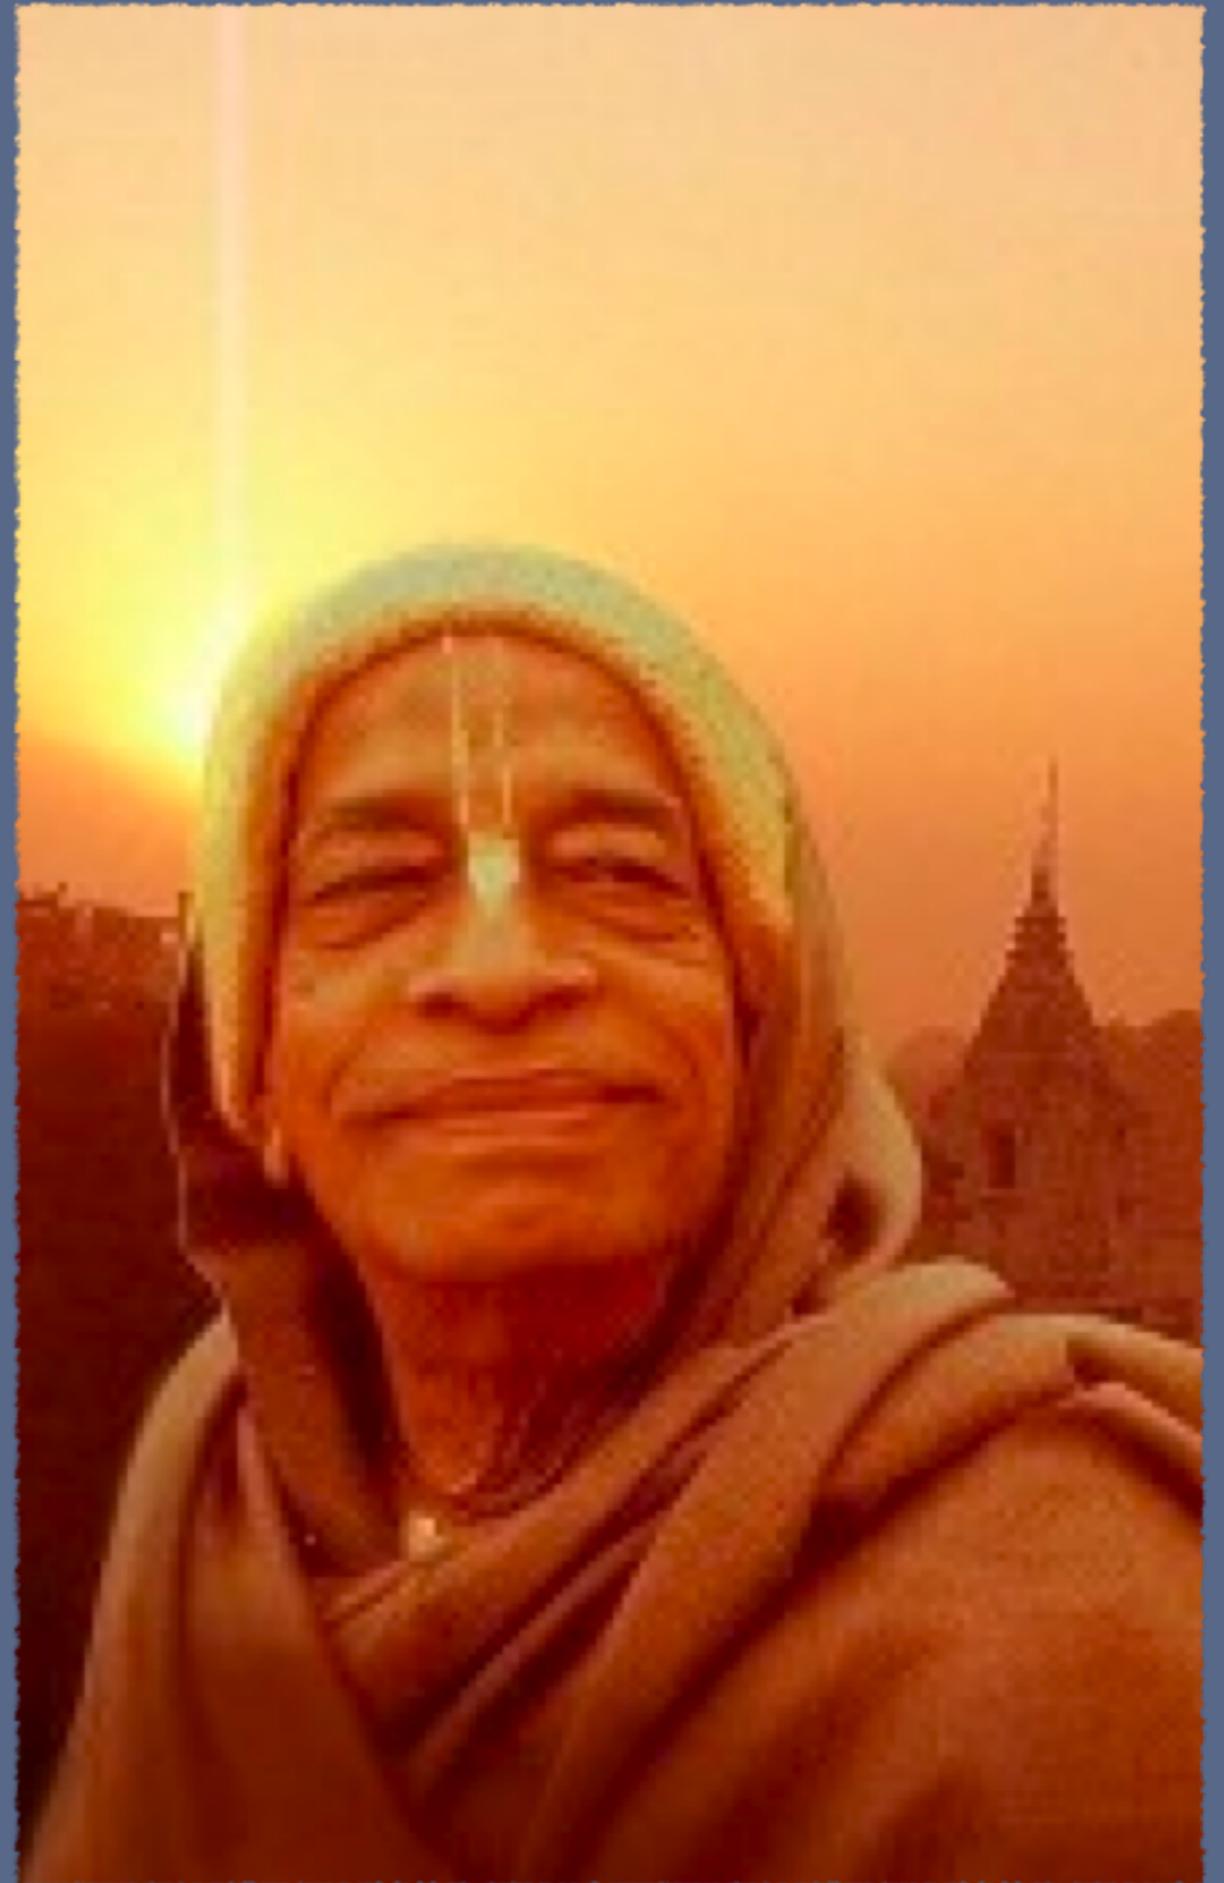

The seas are quiet, when the winds give o'er,  
So calm are we, when passions are no more:  
For then we know how vain it was to boast  
Of fleeting things, so certain to be lost.  
Clouds of affection from our younger eyes  
Conceal that emptiness, which age descries.

The soul's dark cottage, batter'd and decay'd,  
Lets in new light through chinks that time has made;  
Stronger by weakness, wiser men become  
As they draw near to their eternal home:  
Leaving the old, both worlds at once they view,  
That stand upon the threshold of the new.

Edmund Waller

Trouble is  
inevitable. but  
misery is optional

*Minister got Parkinsons..once  
so eloquent, strong, vibrant,  
much in demand, had to resign  
his church*

# Tell your heart to start beating again..

- “I’ve done everything I can do. I need you to tell your heart to beat again.” Doctor
- Some of you are flapping but have stopped REALLY living. You had some bad breaks, and you’ve walked away from life, from your goals, your dreams. You didn’t lose them, you walked away from them. you need to go back and get them.
