*But there is a level of favor  
Krishna is going to release in  
your life like nothing you've  
ever seen before - promotion,  
connections, relationships,  
health..*

What you've seen in the past  
is a tiny fraction of what He's  
going to do in the future

# If you had told me in 1975, Berkeley

Diwali, festivals, SLC

How in the World did I end  
up here?

*Time to get excited  
about your future,  
time to get your  
hopes up. You are  
not here by  
accident. You  
have been chosen  
by the creator of  
universes.*

# “Disturb Us”

Sir Francis Drake quoted often this poem

**Disturb us, Lord, when we are too well pleased with ourselves, when our dreams have come true because we have dreamed too little, when we arrive safely because we have sailed too close to the shore. Disturb us, Lord, when with the abundance of things we possess, we have lost our thirst for the waters of life. Disturb us, Lord, to dare more boldly, to venture on wider seas where storms will show your mastery; where losing sight of land, we shall find the stars. We ask you to push back the horizons of our hopes; and to push into the future in strength, courage, hope, and love.**

Let's be  
grateful  
*but don't stop there...*

*When you stand in amazement  
Krishna's goodness, that's a  
sign you are tapping into the  
fullness of His blessings.*

don't settle  
where you  
are

*Keep your faith stirred  
up, look for signs of  
favor, feel your self as a  
child of the MOST HIGH*

# Abundance

**The earth began to yield abundant harvest, & the crops were of good flavor. The clouds poured rain in season & the trees became full of fruits & flowers. The flowers were fragrant & the fruits sweet. The cows, birds & other animals rejoiced exceedingly. The people became brave, learned, honest, happy, & regarded one another with love & affection. Free from pride, wrath, & envy, their prosperity increased without bounds.**

# Living at the right time

We're in the right place, the right family.

As long as we continue to be people of excellence & integrity then nothing that's happened in the past, nor in the future can stop these blessings from coming our way.

# Explosive blessing

Beyond your salary, beyond  
your income, all of a sudden,  
out of the blue

# Rukmini

**This is more than enough, O Soul of the universe, to secure him an abundance of all kinds of wealth in this world and the next. After all, one's prosperity depends simply on Your satisfaction. SB 10/81/11**

Where you  
are

*is not where you are  
supposed to stay...*

# Wants to show every one..

*the greatness of His favor*

- a) One idea can take you to a higher level
- b) One connection can change your life forever
- c) One invention

# Lord uses Ordinary People...

**to do extraordinary things.**

**If you have a desire not only  
to bless your family, but to  
make a difference in the  
world around you, no limit  
to what Krishna can do.**

# Seeds of Piety

Every time you chant  
Hare Krishna, punya  
sravana kirtana.

# Chase you down

Everything you need has  
been laid up for your use.

The wealth of the godly has  
been laid up by the ungodly

# New level of Increase

**FOR SOME PEOPLE..**

**clean drinking water**

**own well**

**own a home**

**restore health**

# Technology

**By the so called progressive work of the modern civilization, millions of people have unnecessarily suffered physically and psychologically from the influences of over-industrialization and resultant social degeneration and conflict. The Vedic system, however, is one of simplicity in which a man can live happily with his wife, perform his occupational duty and remain happy serving the Lord with the gifts that He provides. His most valuable asset, his breath, he also offers to God, simply by singing His name, chanting Hare Krishna. Thus the devotee uses Krishna's energy to please Krishna in pure devotional service.**

**Wherever there is Krsna, the master of all mystics, and wherever there is Arjuna, the supreme archer, there will also certainly be opulence, victory, extraordinary power, and morality. That is my opinion.**
